MESSAGE :

Dear Sir,

Thailand's Proposal for an Amendment of ISO/IEC 10646-1:1993(E)

Thank you for your fax of 1999-05-21 concerning our proposed correction to be made on ISO/IEC 10646-1: 1993(E) and the response from the Project editor of the standard. We, however, wish to inform you that our Technical Committee responsible for this matter has a strong feeling that the names of the following Thai characters need to be corrected.

dec	hex	Corrected name
047	2E	THAI CHARACTER PAIYAN NOI
067	43	THAICHARACTER SARA AI MAX MUAN
068	44	THAI CHARACTER SARA AI MAI MALAI
069	45	THAI CHARACTER LAKKHANG YAO
070	46	THAICHARACTER MAI YAMOK
071	47	THAICHARACTER MAI TAIKHU

We would very much appreciate your favourable consideration on this matter.

Yours sincerely,

R. Chuenyong - d -

(Mrs. Ratanaporn Chuangsangansit)
Deputy Secretary General
For Secretary General
Thai Industrial Standards Institute
