	<i>To take note of and act upon the following items.</i>	
a.	<b>M53.01 (Nushu script):</b> WG2 resolves to remove the Nushu script currently encoded in Amendment 6.2 for further study. Chinese national body is invited to provide a revised contribution including considerations for Nushu related comments in the draft disposition of PDAM 6.2 ballot comments in document <a href="#">N3516</a> .	
<b>AI-53-9</b>	<b>Korea (Republic of) (Prof. Kyongsok Kim)</b>	
	<i>To take note of and act upon the following items.</i>	
a.	Korea is invited to take note of the feedback in document <a href="#">N3536</a> and coordinate with the US national body and the Unicode consortium in addressing the concerns expressed therein regarding KS X1026-1 standard.	
b.	With reference to document N3535, Korea (Republic of) is invited to prepare a contribution identifying the changes needed for 10646 or Unicode or both to remove any differences in the encoding of Jamos between the two standards by end of 2008. National bodies and liaison organizations are invited to feedback on that document by end of Feb 2009.	
<b>AI-53-10</b>	<b>USA (Ms. Deborah Anderson)</b>	
	<i>To take note of and act upon the following items.</i>	
a.	Korea is invited to take note of the feedback in document <a href="#">N3536</a> and coordinate with the US national body and the Unicode consortium in addressing the concerns expressed therein regarding KS X1026-1 standard.	
<b>AI-53-11</b>	<b>All national bodies and liaison organizations</b>	
	<i>To take note of and act upon the following items.</i>	
a.	<b>M53.10 (Tangut):</b> WG2 accepts the ad hoc report on Tangut in document <a href="#">N3541</a> , and <ul style="list-style-type: none"> <li>a. resolves to remove encoding of Tangut from Amendment 6</li> <li>b. to add it to Amendment 7 (to be started at this meeting), and</li> <li>c. invites experts from the national bodies of China, Ireland, UK, USA and any other interested experts to work together and propose a documented common position on Tangut for the next WG2 meeting.</li> </ul>	
b.	<b>M53.26 (Co-location of chart and nameslist):</b> In response to comment E.2 from Japan (see document <a href="#">N3542</a> ) WG2 asserts that the project editor has the choice of formatting a code chart and its associated nameslist on the same page where it is considered to be space-saving and convenient.	
c.	<b>M53.27 (Multiple-column formats for CJK in next edition):</b> WG2 notes that the production of multiple-column format for CJK charts is dependent on timely availability of the requisite fonts from IRG member bodies. WG2 also takes note of a similar dependency on availability of fonts for the Unicode standard described in document <a href="#">N3524</a> . IRG member bodies are requested to send the requisite fonts for non-CJK Extension B charts before 2008-12-31 and for CJK Extension B charts before 2009-10-15, to the project editor. The IRG convener is instructed to seek the cooperation of the IRG member bodies to meet the above dates.
