# This is an updated version of N3712 and N3585, updated to reflect FPDAM8
# which includes the disposition of PDAM8 ballot comments and
# changes agreed during the Tokyo WG2 meeting.
#
# Date: 2009-11-05
# Author: Markus Scherer
#
# Semicolon-delimited file with a fixed number of fields.
# The number of fields may increase in the future.
#
# Fields:
# 0: UCS code point or sequence
# 1: DoCoMo Shift-JIS code
# 2: KDDI Shift-JIS code
# 3: SoftBank Shift-JIS code
#
# Each field 1..3 contains a code if and only if the vendor character set
# has a symbol which is equivalent to the UCS character or sequence.
