Subject: minor typos in ISO/IEC 10646 (4ed CD, WG2 N4385)

1. On page viii, "JlEx.txt" is a typo of "JlExt.txt"

2. In NOTE of clause 24.3 on page 37, "namespace" seems a typo of "name space".

– In clauses 24.5, 24.5.1, 24.5.2, and 24.5.3, there is a space between "name" and "space".
